

Liquid Paraffin & White Soft Paraffin 50:50 Ointment

Dry Skin Relief / Emollient

Liquid Paraffin and White Soft Paraffin 50:50 Ointment Protective emollient for the management of dry skin conditions. It restores skin's smoothness, softness and flexibility by helping the skin to retain moisture. Apply as often as required to soothe and hydrate the skin (& lips).

Directions for use: Ensure hands are clean before using Liquid Paraffin and White Soft Paraffin 50:50 Ointment. Liquid Paraffin and White Soft Paraffin 50:50 Ointment shall be applied on intact skin as required.

- For use as an emollient: Apply to dry skin areas as often as required and rub in
- For use as a bath additive: Dissolve in hot water. Use as a soap substitute. Care should be taken as bath surface can become slippery.
- After bathing, gently pat the skin with a clean towel.

For use as a skin cleanser: Use as required when washing or in the shower.

Ingredients: Liquid paraffin BP 50% w/w and white soft paraffin BP 50%w/w

Precautions: Use as directed. Do not use if the skin is badly cracked, infected or bleeding. Take special care if you are allergic to any of the ingredients. If the condition worsens or you experience any undesirable side effects, stop using Liquid Paraffin and White Soft Paraffin 50:50 Ointment and discuss with your doctor or pharmacist. If you use more than you should, or if the product is accidentally swallowed: Contact your doctor or pharmacist immediately. Avoid using near eyes.

Side effects are unlikely with the use of this product. If you notice anything unusual, please tell your doctor or pharmacist.

Storage: Do not store above 25°C. Do not freeze.

Keep container tightly closed. Do not use after the expiry date.

Product free from: Fragrances, colourings, additives and preservatives. **SLS FREE.**

Warning: This product can be absorbed by dressing, clothing and bedding, after which these fabrics can be easily ignited with a naked flame. Anyone using or handling this product should keep away from fire, until any skin or clothing which have come into contact with the product has been adequately cleaned. If there is no improvement or aggravation of the condition occurs consult your doctor.

FOR EXTERNAL USE ONLY

Fire hazard. Do not smoke or go near naked flames; clothing & bedding with this product dried on them can catch fire easily.
